1. It is reported that the Iranian Parliament will attempt to modify the text of the Russo-Iranian oil agreement of 1944, which is scheduled for consideration shortly.
  2. It is also reported that it is expected that the Russians will increase pressure on Azerbaijan in order to counterbalance the Iranian intentions.
- 25X1A [REDACTED] Comment: The Turks are believed to be apprehensive of the fact that, in addition to Russian pressure emanating from the Greek frontier, they might also be confronted with further pressure that would result from conflict in Azerbaijan.
